

IMPORTANT!!!! RSSS TRAINING BULLETIN

*****New Version of MISCLOAD on 11.5*****

The enhancements are as follows

- 1. Select by UPC code (keyed in or using scanner)**
- 2. F6 option to add model number**
- 3. Previous Page (F2) scrolling working correctly**
- 4. Fix display and truncation of third decimal point of actual cost.**
- 5. Fix abort of program when providing key that positions to EOF**

Please contact Art Norman, 361-993-1790 x2105 for more information or details.
